

NOTHING BUT THE ABSOLUTE BEST. From our food, to our drinks, to our Stablehands, you won't find anything but the highest quality here. We make our dough fresh daily using organic flour and our own sourdough starter, who we've lovingly named 'Jerry'. All the meat on our menus has been carefully sourced - we only use free range chicken, eggs, beef, pork and lamb, and our fish is sustainably caught.

We proudly make everything here from scratch, so **if you have any questions, allergies or dietary requirements**, get the low down from a Stablehand who will be happy to help.
